

Assent+ Terms and Conditions

V1, February 2019

The Assent+ Scheme operates under these terms and is separate from any contract of work with Assent.

1. The Scheme

The Assent+ Scheme is designed to provide added benefits and support to existing clients of Assent.

Membership of the scheme is subject to the eligibility criteria in section 2 below.

There is no cost for membership of the Assent+ scheme.

There is no minimum membership period.

Members may opt out of the scheme at any time.

Where discounts on products and services are offered, separate terms with third party providers may apply.

Membership of the Assent+ scheme does not represent a contract with Assent to provide work.

Provision of added value benefits is provided by the best efforts of the Assent team and is not guaranteed.

Assent may withdraw an offer or close the Assent+ scheme at any time.

2. Eligibility Criteria

Members of the Assent+ scheme must be in their second year of contract with Assent.

An active contract must be in place to maintain a valid membership.

Membership is awarded to the organisation in contract with Assent, not an individual.

Membership is not transferable.

Membership of the Assent+ Scheme is at the discretion of Assent.

3. Support

Members can contact Assent about the Assent scheme via telephone, email or the Basecamp project for the company.

Assent will make best endeavours to provide support in a timely manner.

4. Privacy

In provision of the Assent+ scheme we may capture non-sensitive personal data including a contact name and email address.

All Assent+ services are provided in accordance with our [Privacy Statement](#).

5. Opting Out

An organisation may opt out of the Assent+ scheme at any time.

Opt-out requests must be submitted by email desk@assent1.com from your registered email address.

On receiving your opt-out request, Assent will remove your contact details from the Assent+ mailing list.

You will no longer receive offers and campaign material.

Previous offers and campaign materials will no longer be valid.
